Collection of Waste Batteries –Automotive

As a producer of automotive batteries under the Waste Batteries and Accumulators Regulations 2009, we EnerSys are obliged to collect, free of charge and within a reasonable time, waste automotive batteries for treatment and recycling from final holders e.g. garages, scrap yards, end-of-life vehicle Authorised Treatment Facilities, Civic Amenity Sites, etc. We are required to do this in any calendar year we place new automotive batteries on the market.

If you require us to take back any automotive batteries, please contact us at:

EnerSys Customer Services
Email: contracts@uk.enersys.com
Tel: 0161 794 4611

We will agree the necessary arrangements for the collection, proper treatment and recycling of the waste automotive batteries.

Yours truly,

Adam Holbrook
